G7856 Commercial Dishwasher

Overview

The Miele Professional G7856 is the ideal heavy duty dishwasher for catering businesses including cafes, restaurants, bistros, pubs and clubs.

Using a fresh water system the G7856 introduces fresh, clean water into the machine during pre-wash, main wash and rinse cycles. This helps to achieve the excellent level of cleaning as well as washing away any potential infectious materials.

Features & Benefits

- Easy to use controls
- 8 programme options
- Temperature and running time display
- Changeable programme parameters
- 9.5 hour delay start option
- Selection of baskets and inserts available for your requirements
- Drying can be switched on/off
- 257 plates, 365 pieces of crockery and 797 pieces of cutlery cleaned per hour
