G7855 Commercial Dishwasher

Overview

The Miele Professional G7855 is the ideal heavy duty dishwasher for catering businesses including cafes, restaurants, bistros, pubs and clubs.

Using a fresh water system the G7855 introduces fresh, clean water into the machine during pre-wash, main wash and rinse cycles. This helps to achieve the excellent level of cleaning as well as washing away any potential infectious materials.

Features & Benefits

- Easy to use controls
- 7 programme options
- Temperature and running time display
- Changeable programme parameters
- 9.5 hour delay start option
- Selection of baskets and inserts available for your requirements
- Drying can be switched on/off
- 164 plates, 238 pieces of crockery and 518 pieces of cutlery cleaned per hour
- Shortest cycle time - 11 minutes
