

WashPlus Washer-Extractors

PW 6107, PW 6137, PW 6167 & PW 6207

- Powerplus** A performance that offers more with powerful heater elements for fast heat-up and short cycles. Large drum volume for high laundry loads and intelligent solutions for reliable results - Professional, commercial technology.
- Careplus** The patented honeycomb drum ensures laundry is cared for. The profiled pattern on the drum creates a protective film of water on which clothing gently slides.
- Flexplus** Profitronic M controls - Freely programmable. Standard programme packages and a total of 199 programme slots. The graphic display combines symbols and text for easy programming and programmes are selected via a rotary dial. The temperatures, holding times, wash times, drum rhythms, spin speeds and dosing are all programmable to suit your needs. Chip card reader fitted as standard.
- Ecoplus** A sustainable, cost effective performance, achieving optimum results using as little water, energy and detergent as necessary. Robust design using recyclable materials for maximum sustainability.
- Comfortplus** A simple, user-friendly solution when selecting programmes by using rotary switch and pushbuttons. With a large drum opening for simple loading and unloading.

Washer-extractor

Design

	PW 6107	PW 6137	PW 6167	PW 6207
Suitable for stacking	-	-	-	-
Door opening Frontloader: [Ø mm]	370	370	370	370
Door opening: Unclean side / clean side [mm]	-	-	-	-
Opening angle	180	180	180	180

Capacity

Max. load [kg]	10	13	16	20
Honeycomb drum volume [litres]	100	130	160	200

Moisture control

Spin speed [max. rpm]	1200	1100	1150	1100
g factor	475	400	500	460
Residual moisture %	47	47	46	47

Controls

PROFITRONIC M	x	x	x	x
Slot for communication module	x	x	x	x

Dispenser systems

4 compartment dispenser in machine front	x	x	x	x
--	---	---	---	---
